Dear Paramates,

Friends the year for which we have longed for has finally arrived. The year of our dream to welcome our batch mates with whom we became eurhythmic and breathed the aura of actual life, the year of fellowship for our family members, the year of our very own GEMS. Lets celebrate this long awaited festival of togetherness with full enthusiasm, charm and gaiety. Lets flood Kanpur and GSVM with love and care of PARA F1. Lets make it a 100 percent attendance of all paramates as this is the last official reunion of PARAF1 फिर -
